## CORONAVIRUS UPDATE JULY 2022

*To keep our premises operating safely, there will be some adaptations to the way we run the guesthouse. This page will give you details of how we will operate and what you can expect from us. It also details what we expect from our guests – please read the information on this page and if you are unsure of anything or wish to clarify any points, please do not hesitate to contact us.*

### What you can expect from us:

- We are now fully open, but continue to be vigilant.
- We will ensure that rooms are aired for at least 6 hours between each booking to give us time for extensive cleaning.
- Hand sanitiser continues to be available in all shared spaces.
- Soap or hand sanitiser is available in all the bedrooms and Garden Lodge.
- Given the demands of the cleaning regime, we have to set a minimum 2 night stay.

*As there are so many places to visit here, why not consider staying longer and taking your time to enjoy Highland Perthshire and the Cairngorms. We'd be happy to chat with you before you make your booking about what is available and the things you can see and do here!*

- During the summer season of 2022, we will waive our 7 day cancellation fee, so you need not feel pressured into taking a trip if you are feeling unwell.
- Although it is no longer mandated for guests to wear masks, we would advise you to bring a supply for personal use in crowded venues.

### What we expect from you:

Please read this document thoroughly before entering The Firs, Blair Atholl.
